A Strategic Opportunity in the Heart of Grand Cayman: Positioned just steps from Owen Roberts International Airport on Breezy Way, this 0.3699-acre parcel is perfectly located to support business ventures or long-term investments. With its light industrial zoning and convenient 30-foot vehicular right of way, this property offers immense versatility for future development.

Designed for Success and Growth: This filled and level lot ensures a smooth start for construction projects. Zoned for light industrial use, it opens the door to a variety of possibilities, from logistics and warehousing to office spaces catering to businesses that benefit from proximity to the airport. Its location near Grand Cayman’s growing international airport makes it a valuable asset for companies requiring efficient connections to global markets.

Capitalize on Expansion Potential: This property holds significant promise as Grand Cayman’s infrastructure continues to expand. Its location places it in the spotlight of future airport growth, making it a smart, forward-looking investment. Whether you’re establishing a business or seeking a high-potential asset, this parcel ensures excellent value.

Highlights of the Property:

- Proximity to Owen Roberts International Airport for unmatched accessibility.
- Light industrial zoning, offering flexibility for various business purposes.
- 30-foot vehicular right of way, ensuring easy logistics and access.
- Filled, level topography, ready for development.

A secure investment in one of Grand Cayman’s most strategic commercial areas. Your Gateway to Growth: Light industrial zoning in Grand Cayman allows for warehouses, light manufacturing, workshops, storage, utilities, and supporting commercial uses. Developments must comply with regulations on height, setbacks, parking, and environmental standards. Conditional uses may include recycling or caretaker housing, subject to Central Planning Authority approval. Consult Planning for specifics. The property’s strategic position and the dynamic potential of Grand Cayman’s thriving economy make this industrial land a standout option for discerning investors and entrepreneurs.
